Request for Exemption from Wearing a Mask

The College requires that all faculty, staff, students and visitors to NTC wear non-medical face masks (masks) at all times in all university indoor common-use spaces. This includes common areas, libraries and meeting rooms. Students seated in classrooms are required to wear a mask at all times if they cannot maintain social distancing of 2 m. Professors teaching may remove their mask for the sake of clarity.

Staff and Students who require an exemption from wearing a mask should submit a form to Student Services stating the reason. Exemptions are made for those unable to wear a mask due to a mental or physical concern or limitation, or protected ground under the Alberta Human Rights Act. Those submitting a request for an exemption for medical reasons are asked to submit confirming documents from your medical doctor with their form.
